ADDENDUM TO JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 28 March 1973

STAT (Internal Use Only - LLM) Together with Harry Fisher and [redacted] met with Arnold Donahue, International Division of OMB, on our legislative package on the retirement quota. Fisher was able to satisfy Donahue for the most part but he was somewhat bothered by our cost statement and said it would be inaccurate to cite a "Government-wide reduction in work force" in our letter. He also was interested in whether there would be any adjustment in our fiscal 1974 budget as a result of our cut in personnel strength. Donahue said he would like to digest the information he had obtained and asked for a copy of the CIARDS regulations. He understands the urgency of the matter and our willingness to make any changes in our legislative package so long as our message is not diluted.
